SECTION XI.—POSTAL DIRECTORY.

**LIST OF POST TOWNS IN SCOTLAND,
INCLUDING ORKNEY AND SHETLAND.**

EXPLANATIONS.

1. All Head Offices are Money Order Offices and Post Office Savings Banks, and also, with few exceptions, Postal Telegraph Offices. In the following list

Money Order Offices and *Post Office Savings Banks* are marked thus *a*; *Postal Telegraph Offices* are marked thus *b*; *Insurance and Annuity Offices* are marked thus *c*; and certain places where Railway Companies collect and deliver telegrams on behalf of the Post Office are marked thus *d*.

2. Those places in the list which stand alone are *Post Towns*, that is, towns where the office is a Head Office. Where two places are mentioned, the first is a *Sub-Office*, the second being its Head Office or Post Town. Where three are mentioned, the first is a *Sub-Office*, the second is the *Head Office*, and the third is the *Money Order Office* nearest to the Sub-office; this being added for the information of persons who may desire to send money to the neighbourhood.

3. The initials "R.S.O.," and the name of a county in brackets, following the name of a place, indicate that the office is what is termed a *Railway Sub-Office*, that is, a Sub-Office which receives its correspondence direct from a Travelling Post Office instead of through a Post Town. If the Railway Sub-office is not a Money Order Office, the name of the nearest Money Order Office is added after the name of the County. Certain Sub-Offices receive the bulk of their correspondence from some other than their own Head Office; and in this list these offices are followed by the initials "S.O.," and the name of a county in brackets. Letters for such Sub-Offices and for Railway Sub-Offices should have the initials "S.O." or "R.S.O.," as the case may be, together with the name of the county added to the address.

4. *Town Receiving Offices* are not entered in this list, unless Money Order and Savings Bank business is transacted at them.

Post-Office Telegraphs.

Office open daily from 7 A.M. to 9 P.M.; on Sunday, from 9 to 10 A.M., and from 4 to 5 P.M.

TARIFF.

The charge for the transmission of Messages by Telegraph throughout the United Kingdom, including the Channel Islands and Isle of Man, but excepting the Scilly, Orkney and Shetland Isles, is one shilling for the first twenty words, and threepence for each additional five words or part of five words; the names and addresses of the sender and receiver not being counted.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error, by being re-signalled from the Office at which they are received to the Office from which they are forwarded. The charge for repetition is one half the ordinary tariff, fractions of threepence being reckoned as twopence.

The cost of a reply to a Telegram may be prepaid.

Copies of a Telegram, directed to more than one firm or person in the same free delivery, London excepted, will be delivered separately at an additional charge of threepence per copy.

Telegrams may be re-directed from town to town at an extra charge of *one half* the ordinary tariff, fractions of threepence being reckoned as twopence.

All numbers and fractions of numbers must be written in words, and will be charged for accordingly. For example, "365" should be written "*Three Hundred and sixty-five*," and when so written will be charged for as five words, and " $\frac{3}{8}$ " should be written "*three-eighths*," and when so written will be charged as two words.

PORTERAGE.

The sums charged for the transmission of Telegrams cover the costs of delivery by special Foot Messenger within the limit of one mile of the Terminal Telegraphic Office, or within the limit of the Town Postal Delivery of that Office, when it is a Head Office, and the Town Postal Delivery extends for more than a mile from it.

When the addressee does not reside within the above described limits, and the sender desires to have his telegram delivered by special Foot Messenger, the charge will be sixpence per double mile or any part thereof. A sum of one shilling per double mile will be charged for the delivery of Telegrams by Cab, Fly, or Horse express.

When the addressee does not reside within the above described limits, and sender does not desire to incur the cost of special delivery, his Telegram will be delivered free of extra charge by the ordinary postal delivery next following on the arrival of his Telegram at the Terminal Telegraphic Office.

Rates of Postage and Conditions of Transmission.

LETTERS—(Inland).

The rates of postage when prepaid are as follows :—

For a letter not above 1 oz.,	1d.
„ above 1 oz., but not above 2 oz.,	1½d.
„ „ 2 oz.,	„	„	4 oz.,	2d.
„ „ 4 oz.,	„	„	6 oz.,	2½d.
„ „ 6 oz.,	„	„	8 oz.,	3d.
„ „ 8 oz.,	„	„	10 oz.,	3½d.
„ „ 10 oz.,	„	„	12 oz.,	4d.

A letter above the weight of 12 oz. is liable to a postage of 1d. for every ounce, beginning with the first ounce. A letter, for example, weighing between 14 and 15 oz. must be prepaid 1s. 3d.

As a general rule, the postage if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency is charged.

No letter may be above 18 inches in length, 9 inches in width, and 6 inches in depth. The only *exceptions* to these regulations are in the case of—1. Addresses to Her Majesty; 2. Petitions to either House of Parliament, forwarded to any Member of such House, without cover, or in covers open at the ends; 3. Printed Parliamentary Proceedings; 4. Letters or Packets to or from public departments or public officers in Her Majesty's service.

If the stamps affixed to letters are mutilated or defaced, the letters will be liable to the unpaid rates.

An unobliterated, embossed, or other postage stamp, which has been cut from an envelope, card, or wrapper, and affixed to a letter or other packet, renders it liable to be charged at the unpaid letter rate.

Re-directed letters are charged an additional postage for each re-direction, according to the prepaid scale.

All persons sending letters by the post unpaid, which, from any cause whatever, cannot be delivered to the parties to whom they are addressed, are liable to pay the postage charged thereon, which may be recovered, with costs, by summary proceedings before a magistrate.

By the Act, 1st Victoria, cap. 36, sec. 2, any person illegally carrying letters incurs a penalty of £5 for every letter, and £100 for every week the practice is continued. The sender also incurs a penalty of £5 for every letter, with full costs of suit.

NEWSPAPERS—(Inland).

Inland Newspapers are subject to the following regulations :—

To have the privilege of passing as a newspaper, the publication must first have been accepted as a Newspaper by the Postmaster-General, and have been placed on a register at the General Post Office; from which it is liable to be removed, either through the non-renewal of the registration fee, 5s., year by year, or in consequence of any change which may deprive it of the characteristics of a Newspaper. Registration for inland circulation includes registration for transmission abroad.

For each inland Newspaper, whether posted singly or in a packet, the postage, when prepaid, is one half-penny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one half-penny for every 2 oz., or fraction of 2 oz.

A Newspaper posted unpaid, and a packet of newspapers posted, either unpaid or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight.

The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.

No newspaper can be sent through the post a second time for the original postage ; for each transmission a fresh postage is required.

Every newspaper or packet of newspapers must be posted either without a cover, or in a cover open at both ends, and in such a manner as to admit of easy removal for examination. If this rule be infringed, the newspaper or packet will be treated as a letter.

Every newspaper must be so folded as to admit of the title being readily inspected

A newspaper, or a packet of newspapers which contains any enclosure except supplements is charged as a letter ; unless the enclosure be such as might be sent at the Book rate of postage, and the entire packet be sufficiently prepaid as a Book Packet, in which case it is allowed to pass.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

No packet of newspapers may be above 14 lbs. in weight, nor above two feet in length, one foot in width or depth.

BOOK AND CIRCULAR POST—(*Inland*).

Inland Book Postage is a half-penny for every 2 oz., or a fraction of that weight.

A book packet posted wholly unpaid, is charged with double the book postage ; and if posted partially prepaid, with double the deficiency.

Every book packet must either have no cover, or a cover entirely open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination. It may contain any number of separate books or other publications, prints, or maps, and any quantity of paper, parchment, or vellum, either printed, written, plain, or any mixture of the three ; together with whatever is necessary for the safe transmission of literary matter, or usually appertains thereto, to the exclusion of letters or any enclosure sealed or otherwise closed against inspection, or any communication of the nature of a letter written in any such packet, or on its cover. Entries, however, merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

CIRCULARS, *i. e.*, letters which are intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed, may also be sent by book post.

No book packet may be above 5 lbs. in weight, or 18 inches in length, 9 inches in width, and 6 inches in depth.

POST CARDS.

Post cards, whether official or private, having a half-penny stamp impressed upon them, are available for transmission between places in the United Kingdom only.

The front (or stamped side) is intended for the address only. There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication may be printed or written. Nothing whatever may be attached ; nor may the Card be folded, cut, or otherwise altered. If any of these rules be infringed, the Card will be charged 1d. on delivery.

No Card other than one of those issued by the Government, or a private Card impressed with a half-penny stamp by the Inland Revenue Office, will pass under a half-penny stamp, if it bear on it a written communication of the nature of a letter. The charge for cards is 6½d per doz. No single cards sold.

COLONIAL AND FOREIGN LETTERS, NEWSPAPERS, &c.

For the rates on these, see page 73, and *British Postal Guide*, published quarterly, by command of the Postmaster-General, price 6d.

COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

Patterns and Samples can be sent at the rates inserted in the Table of Colonial and Foreign Postage, to such places as are marked with the letter P., but they are restricted to *bona fide trade patterns or samples of merchandise*. Goods sent for sale, or in execution of an order, however small the quantity may be, or any articles sent by one private individual to another which are not actually patterns, or samples, are not admissible.

Patterns or Samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination.

There must be no writing or printing upon, or in any packet, except the address of the person for whom it is intended, the address of the sender, a trade mark or number, and the price of the articles.

The limit of weight is not the same to all countries, see Table of Colonial and Foreign Postage.

REGISTRATION.

By the prepayment of a fee of fourpence, any letter, newspaper, or book packet, unless it be addressed to initials, or to a fictitious name, may be registered to any place in the United Kingdom or the British Colonies. (For registration to Foreign Countries, see Tables of Colonial and Foreign Postage.)

The registration fee, as well as the postage, must be prepaid in stamps. The registration of a packet makes its transmission more secure, by rendering it practicable to trace it from its receipt to its delivery.

All Inland or Colonial letters which contain coin, and all inland letters which contain watches or jewellery, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of eightpence.

SUGGESTIONS TO THE PUBLIC, &c.

Facility is given to the Post Office in the discharge of its daily duties, and greater security afforded to the public, by careful attention to the following recommendations:—

- 1st. To post all letters, &c., as early as practicable, especially when sent in large numbers, as is frequently the case with newspapers and circulars. The trouble of the Office is much diminished if circulars, before being posted, be tied in bundles, with the addresses all in one direction.
- 2nd. To make the address legible and complete, giving the name of the post town; and if there be more than one town in the kingdom of that name, or if the post town be not well known, adding the name of the county.
- 3rd. To see that every letter, newspaper, or other packet sent by post is securely folded and fastened. When postage stamps are remitted, they should be enclosed in paper, sufficiently thick to prevent them from being seen or felt through the cover.
- 4th. Never to send money or any other article of value through the post, except either by means of a *money order* or in a *registered letter*.
- 5th. When complaint is made of letters or newspapers lost, miscarried, or delayed, to furnish to the Secretary information as precise as possible regarding all the facts of the case, and to enclose whatever documents may throw light upon it.
- 6th. To see that every letter contains the full address of the writer, in order to ensure the return of the letter if the person to whom it is directed cannot be found.

THE ORIGINAL SOCIETY.

ESTABLISHED 1840.

THE GUARANTEE SOCIETY

NO. 19 BIRCHIN LANE, CORNHILL, LONDON, E.C.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT,

5 VICTORIA—SESSION 1842.

Suretyship undertaken for the Fidelity of Persons in Situations of Trust, on the yearly payment of a small sum at a stipulated rate per centum ;

THE SOCIETY'S SECURITY BEING ADOPTED BY

HER MAJESTY'S GOVERNMENT

BY

The Bank of England ; the Bank of Ireland ;

The Council of the Duchy of Cornwall ;

The Secretary of State in Council for India ;

The Court of Chancery ; the Corporation of the City of London ;

The Principal Bankers ; Railway Companies ; Public Companies ;

Commercial Firms in the United Kingdom ; and

The Local Government Board.

THIS Society was the first Public Company established in Great Britain to obviate the inconvenience and defects of Suretyship by Private Bondsmen, and its security is accepted by the Banks of England and Ireland, the Secretary of State in Council for India, the Court of Chancery, and most of the Public Companies, Bankers, and Commercial and Trading Firms in the United Kingdom.

Persons of the highest character and qualifications frequently decline valuable appointments, either from an unwillingness to place themselves and their friends under so serious an obligation, or the great difficulty of obtaining satisfactory Sureties ; but the institution of this Society removes these difficulties.

The Guarantee Society undertakes, for a small yearly premium, to make good to the employer any loss by the fraud or dishonesty of the person employed, according to the amount specified in the bond, and therefore obviates the necessity for Private Sureties, as well as the evils arising therefrom, which often prove as prejudicial to the real interests of the employer as to the person finding the guarantee of Private Friends.

Employers, by the existence of the Society, are assured of the continued solvency of the Surety for the person employed, and the security thus becomes a permanent one.

Friends and relatives are relieved of the fear of those pecuniary losses to which persons are exposed who become responsible for the acts of others.

All necessary information can be had of the Secretary and Agents.

Rates according to the nature of the employment on the Amount of Security required.

Security granted on behalf of Receivers and Official Liquidators,
under the Court of Chancery, on advantageous terms.

DEESIDE

Hydropathic Establishment,

HEATHCOT, NEAR ABERDEEN.

DEESIDE HYDROPATHIC ESTABLISHMENT is beautifully situated on the south bank of the River Dee, Five Miles from Aberdeen.

The Estate consists of about 300 Acres, 30 of which are laid out as Policies, and are kept exclusively for the use of the Patients and Visitors. In connection with it there is a Romantic Den which winds through the policies for upwards of a Mile, with pleasant walks along the Banks of the Stream.

The Climate of Deeside is healthy and bracing. The sub-soil of the estate of Heathcot is of a light gravelly nature, dry and porous, and, consequently, free from damp; and, owing to the absorbent nature of the soil, out-door exercise can be engaged in almost as soon as the rain is over.

HEATHCOT is sheltered from the east wind by the Hill of Ardo, and has a fine southern and western exposure. From the House and Grounds, you have a charming and extensive view of the Valley of the Dee, consisting of the most varied and beautiful Scenery. It is situated within easy distance of Balmoral Castle, Her Majesty's summer residence, so that Visitors may go and return the same day, and see the delightful scenery of the whole Valley of the Dee, including Balmoral, Ballater, Lochnagar, Braemar, &c. The Patients and Visitors will have the privilege of Salmon, Trout, and Pike Fishing in the River Dee, which runs through the Estate for nearly a Mile. In the construction, furnishing, and surroundings of the House, no expense has been spared to secure the comfort and convenience of Patients and Visitors. The Turkish Bath is in course of construction, and will be ready by end of July.

For Terms, and every other information, apply to DR. JOHNSTON, Resident Physician, Deeside Hydropathic Establishment, Heathcot, near Aberdeen, N.B.
